KONE Elevator India expands Bengaluru regional office

The expanded office aims to offer faster service and improved support to meet the increasing market needs.

Amit Gossain, Managing Director, KONE Elevator India & South Asia , with Murali Malayappan, Chairman and Managing Director, Shriram Properties Limited , inaugurates KONE's Bengaluru Branch and South Regional Office.

KONE Elevator India has expanded its Bengaluru branch and South regional office in Hebbal, enhancing its operations across Karnataka. This facility supports sales, installation, service, and modernisation, providing regional leadership for KONE's business in South India. Inaugurated by Amit Gossain and Murali Malayappan, the office will serve key cities such as Mysuru, Mandya, and Tumakuru and will also operate as an experience centre showcasing KONE's latest elevator solutions and technologies.

Investment supports growing demand for smart mobility

KONE is involved in numerous landmark projects in Karnataka, particularly in Bengaluru, collaborating with major developers and enterprises like ITC, IKEA, and HPE. The region is recognised for its rapid growth in premium real estate, global capability centres, and technology parks, driving demand for smart mobility solutions. The expanded office aims to offer faster service and improved support to meet the increasing market needs.

Company reaffirms long-term commitment to Karnataka

Amit Gossain, Managing Director, KONE Elevator India & South Asia, said, "Karnataka continues to be one of KONE's most strategic growth markets, driven by rapid urbanisation, world-class technology ecosystems and increasing investments in residential, commercial and infrastructure development. The expansion of our Bengaluru branch and South regional office strengthens our ability to support customers across Karnataka while providing regional

leadership for our business across South India. This investment brings us even closer to our customers, enabling faster response times, stronger lifecycle support and enhanced collaboration across the region. Beyond serving our customers better, it reflects our long-term commitment to Karnataka by creating skilled employment opportunities and contributing to the development of smarter, safer and sustainable cities."

KONE Elevator India Strengthens Karnataka Presence with Expanded Bengaluru Branch and South Regional Office

KONE Elevator India Strengthens Karnataka Presence with Expanded Bengaluru Branch and South Regional Office

KONE Elevator India, a leading provider of elevators, escalators, and automation solutions, has strengthened its presence in Karnataka with the expansion of its Bengaluru Branch and South Regional Office in Hebbal, Bengaluru.

The expanded facility serves as KONE's Bengaluru Branch and South Regional Office, supporting Sales, Installation, Service and Modernization operations across Karnataka while providing regional leadership and operational support for KONE's business across South India. The office was inaugurated by Mr. Amit Gossain, Managing Director, KONE Elevator India & South Asia, and Mr. Murali Malayappan, Chairman and Managing Director of Shriram Properties Limited, along with other distinguished guests.

The office supports operations across key cities including Mysuru, Mandya, Kolar, Tumakuru, Chamarajanagar and other parts of Karnataka. It will also function as an experience centre showcasing KONE's latest elevator solutions, digital technologies and smart People Flow® innovations.

KONE Elevator India is supporting several landmark projects across Karnataka, particularly in Bengaluru's high-growth corridors. The company has partnered with leading developers and enterprises including ITC Green Centre, IKEA, Hewlett Packard Enterprise (HPE), ITPL, Embassy Group, Titanium Tech Park, Sattva Group, LabZone, Metro Cash & Carry, Karle Group, Sobha Group, Goyal & Co., Shriram Properties, SNN Group, Kalyani Tech Park, SJR Group, Carl Zeiss, Wistron and GE HealthCare, Keya Homes, commercial, healthcare, technology parks and mixed-use developments.

Karnataka is one of India's fastest-growing markets for premium residential developments, Global Capability Centres (GCCs), commercial real estate and technology parks. Bengaluru

continues to attract significant investments across IT, manufacturing, healthcare and mixed-use infrastructure, driving sustained demand for smart, connected and sustainable vertical mobility solutions. KONE's expanded office supports this growth by providing customers with faster service, enhanced lifecycle support and closer collaboration.

Speaking on the development, Mr. Amit Gossain, Managing Director, KONE Elevator India & South Asia, said, "Karnataka continues to be one of KONE's most strategic growth markets, driven by rapid urbanization, world-class technology ecosystems and increasing investments in residential, commercial and infrastructure development. The expansion of our Bengaluru Branch and South Regional Office strengthens our ability to support customers across Karnataka while providing regional leadership for our business across South India. This investment brings us even closer to our customers, enabling faster response times, stronger lifecycle support and enhanced collaboration across the region. Beyond serving our customers better, it reflects our long-term commitment to Karnataka by creating skilled employment opportunities and contributing to the development of smarter, safer and sustainable cities."

The Bengaluru Branch and South Regional Office are located at: KONE Elevator India Pvt. Ltd., Bengaluru Branch and South Regional Office, 7th Floor, Sriram Fincity, Vayunandana Layout, Hebbal Kempapura, Bangalore- 560024

KONE Expands Bengaluru Office to Strengthen South India Reach

KONE Elevator India has expanded its Bengaluru Branch and South Regional Office in Hebbal, strengthening its operations across Karnataka and South India.

The facility will support sales, installation, service and modernisation activities across Karnataka while providing regional leadership and operational support for the company's South India business. It was inaugurated by Amit Gossain, Managing Director, KONE Elevator India and South Asia, and Murali Malayappan, Chairman and Managing Director, Shriram Properties.

The office will support customers in Bengaluru, Mysuru, Mandya, Kolar, Tumakuru, Chamarajanagar and other parts of Karnataka. It will also serve as an experience centre showcasing KONE's elevator solutions, digital technologies and smart People Flow innovations.

KONE is associated with several residential, commercial, healthcare and technology projects across Karnataka. Its customers and project partners include ITC Green Centre, IKEA, Hewlett Packard Enterprise, ITPL, Embassy Group, Titanium Tech Park, Sattva Group, Sobha Group, Shriram Properties, Kalyani Tech Park, Carl Zeiss, Wistron and GE HealthCare.

Karnataka's expanding premium housing, commercial real estate, Global Capability Centre and technology park sectors are driving demand for connected and sustainable vertical mobility solutions. The expanded facility is expected to improve service response, lifecycle support and customer collaboration across the region.

"Karnataka continues to be one of KONE's most strategic growth markets, supported by rapid urbanisation, a strong technology ecosystem and investments in residential, commercial and infrastructure development," Gossain said.

He added that the expansion would bring KONE closer to its customers, improve response times and create skilled employment opportunities while supporting the development of smarter, safer and sustainable cities...

KONE expands Bengaluru branch, South office

KONE Elevator India will expand its Bengaluru Branch and South Regional Office to strengthen its Karnataka presence.

Amit Gossain, Managing Director, KONE Elevator India & South Asia

KONE Elevator India has expanded its Bengaluru Branch and South Regional Office in Hebbal, Bengaluru, to support Sales, Installation, Service and Modernization operations across Karnataka and provide regional leadership for its business across South India.

The office was inaugurated by Amit Gossain, Managing Director of KONE Elevator India & South Asia, and Murali Malayappan, Chairman and Managing Director of Shriram Properties Limited.

Coverage area

The office supports operations across Mysuru, Mandya, Kolar, Tumakuru, Chamarajanagar and other parts of Karnataka, and will function as an experience centre showcasing KONE's elevator solutions, digital technologies and People Flow innovations.

KONE Elevator India has partnered with developers and enterprises including ITC Green Centre, IKEA, Hewlett Packard Enterprise, ITPL, Embassy Group, Titanium Tech Park, Sattva Group, LabZone, Metro Cash & Carry, Karle Group, Sobha Group, Goyal & Co., Shriram Properties, SNN Group, Kalyani Tech Park, SJR Group, Carl Zeiss, Wistron, GE HealthCare and Keya Homes across commercial, healthcare, technology park and mixed-use developments in Karnataka.

Amit Gossain said that Karnataka continued to be one of KONE's strategic growth markets, driven by urbanisation, technology ecosystems and investment in residential, commercial and infrastructure development. He said, "The expansion of our Bengaluru Branch and South Regional Office strengthens our ability to support customers across Karnataka while providing regional leadership for our business across South India".

India operations

KONE has operated in India since 1984 and is based in Chennai, serving customers through more than 50 branches and employing over 5,500 people. Its production unit in Sriperambudur, near Chennai, manufactures elevators for India, Bangladesh, Bhutan, Nepal and Sri Lanka. The company operates three training centres, in Chennai, Gurgaon and Pune, and a global technology and engineering centre in Chennai and Pune, one of its seven global R&D centres.
